SECTION 2 INFORMATION TO CONSULTANTS

1. Introduction

- 1.1 The Employer named in the "Data Sheet" shall select a Firm among those who will submit Proposals (Technical Proposal and Financial Proposal) for the Assignment mentioned in the Data Sheet, in accordance with the Method of Selection indicated in the Data Sheet.
- 1.2 The Consultants are invited to submit a Technical Proposal and a Financial Proposal, as specified in the Data Sheet for Consulting Services required for the Assignment named in the Data Sheet. The Proposal will be the basis for Contract Negotiations and ultimately for a Signed Contract with the selected Consultant.
- 1.3 The Assignment shall be implemented in accordance with the phasing indicated in the Data Sheet. When the Assignment includes several phases, the Performance of the Consultant under each Phase must be to the Employer's Satisfaction before Work begins on the next phase.
- 1.4 The Consultants must familiarize themselves with local conditions and take those conditions into account in preparing their Proposals. To obtain first hand information on the Assignment and on the Local Conditions, Consultants are encouraged to pay a visit to the Employer before submitting a proposal and to attend a Pre Proposal Conference if one is specified in the Data Sheet. Attending the Pre Proposal Conference is optional. The Consultants' Representatives should contact the Officials named in the Data Sheet to arrange for their visit or to obtain Additional Information on the Pre Proposal Conference. Consultants should ensure that these Officials are advised of the visit in adequate time to allow them to make appropriate arrangements.
- 1.5 The Employer shall provide the Inputs specified in the Data Sheet, assist the Firm in obtaining Licenses and Permits needed to carry out the Services and make available relevant Project Data and Reports.
- 1.6 Please note that (i) the Costs of Preparing the Proposal and of Negotiating the Contract, including a visit to the Employer, are not reimbursable as a Direct Cost of the Assignment; and (ii) the Employer is not bound to accept any of the Proposals submitted.
- 1.7 The Executive Engineer, Yelahanka Division, BBMP expects the Consultant to provide Professional, Objective and Impartial Advice and at all time hold the Employer's interests paramount, without any consideration for future work, and strictly avoid conflicts with other Assignments or his own Corporate Interests. The Consultant shall not be hired for any Assignment that would be in conflict with his prior or current Obligations to other Employers, or that may place him in a position of not being able to carry out the assignment in the best interest of the Employer.
- 1.7.1 Without limitation on the generality of this rule, the Consultant shall not be hired under the circumstances set forth below.
 - a. A Firm which has been engaged by the Employer to provide goods or works for a project, and any of its affiliates, shall be disqualified from providing Consulting Services for the same project. Conversely, Firm hired to provide consulting services for the preparation or implementation of a project, and any of his affiliates, shall be disqualified from subsequently providing goods or works or services related to the initial assignment (other than a continuation of the firm's earlier consulting services) for the same project.
